STRUCTURE STABILITY CERTIFICATE

Property name and add:- **GYAN JYOTI PUBLIC SCHOOL,
VPO CHHAULA, NEW DELHI -110071.**

This is to certify that the existing structure was personally inspected on dated 31/10/2022 by me (i.e. Ground, 1st, 2nd & 3rd Floor). I found that the existing building having Framed Structure & Load Bearing brick wall Structure was of sufficient thickness to bear the load of roofs.

There are no cracks at present. I also found that at present there is no basic causes of failure i.e. water logging in drains or nearby of premises, dampness/leakage in roof etc.

As such, the existing structure is safe and sound.
